Result of comprehensive exam

_____, _____ on _____
Student's name Banner ID date of exam/defense

___ Passed the ___ written comprehensive exam/ ___ oral thesis defense (Agriculture or FCS only)

in fulfillment of the requirements for the degree of

OR

___ Failed the ___ written comprehensive exam/ ___ oral thesis defense (Agric or FCS only)

___ Will be required to take a second examination no sooner than 30 days after the first examination and in preparation for it to do such additional work as the committee deems necessary. This examination will be scheduled by the Chairperson of the Examining Committee after having informed the student in writing that failure to pass the second examination will mean that he/she may be required to take additional coursework and/or to complete additional assignments recommended by the committee before being permitted to have a third, and final, examination.

___ Will be required to take a third and final examination no sooner than one full semester after the second examination. A copy of the required work in preparation for this examination shall be sent to the Graduate Program Coordinator, the Department Chair, the Dean of the College, and the Dean of Graduate Studies. The student shall be notified in writing that failure to achieve a minimum grade of "B" in any course(s) required by the Examining Committee will disqualify him/her from the third examination and from receiving a master's degree for the coursework taken.

___ Has no recourse or appeal of this decision.
