**Charge of the Committee:**

1. Provide leadership in the review, evaluation, and use of data for continuous improvement and accountability for student learning, the major, and department assessment plans.
2. Ensure consensus about what the institution expects students to represent or demonstrate along the continuum of their learning.
3. Determine how to integrate data collected among individual academic colleges, the Office of Curriculum and Assessment, the Honors Program, the Office of Student Engagement, and the Paul Meek Library.
4. Use the assessment results to verify student achievement and to identify patterns of strengths and weaknesses in order to improve teaching and learning.
5. Provide an annual report to the Assessment Oversight Committee documenting changes, strengths, and weaknesses of student learning outcomes.
6. Disseminate results of student learning in academic areas in order to use assessment to inform the budget process.
